## One of the Best in His Field

Field Law is pleased to announce the addition of Tom Malyszko to the Firm. He will join our Business Law group and consult on a variety of intellectual property and technology issues.

In addition to his Masters Degree in Civil Engineering from McGill University and his Juris Doctor from the University of Toronto, Tom is a registered Patent and Trade-Mark Agent with the Canadian Intellectual Property Office (CIPO), a registered Patent Agent with the United States Patent and Trade-Mark Office (USPTO), a registered professional engineer with the Professional Engineers Ontario (PEO), and a member of the Intellectual Property Institute of Canada (IPIC). His Practice covers all area of intellectual property law with a focus on the preparation and prosecution of patent applications in the mechanical and structural area (devices and processes), as well as on trade-marks and industrial design.

Contact Tom at **403 260 8531** or

From Left (to Right)  
Our Team Includes:  
Peter Collins,  
Tom Malyszko,  
Wayne Logan,  
Lisa Statt Foy,  
Tom O'Reilly,  
Neil Kathol  
and Richard Stobbe

## Expanding the Field

We are very pleased to announce the newest additions to our Intellectual Property and Technology Group. Neil Kathol, Richard Stobbe and Tom Malyszko will be joining Peter Collins, Tom O'Reilly, Wayne Logan and Lisa Statt Foy. The expanded group will continue to provide practical guidance to our clients in the management of their intellectual property assets. Neil will lead our newly expanded team. Both Neil and Richard are Registered Trade-Mark Agents (including in Neil's case, for United States registrations) and Tom is a Registered Trade-Mark and Patent Agent in both Canada and the United States.

Our Intellectual Property Group has broad-based expertise with transacting, licensing, performing due diligence on, registering, enforcing, and commercializing patents or unpatented ideas, brands, know-how, proprietary data, software and automation products, copyrights, personality rights and other forms of intellectual property.
