### Overview

Field Law provides private services to individuals in tax, estate planning services and real estate transactions.

Additionally, more than 120 lawyers and 160 supporting staff work together to provide a comprehensive range of legal and complementary services to businesses, institutions, governments and other organizations in corporate and commercial matters, litigation and dispute resolution, labour and employment, insurance, intellectual property and emerging technology, energy, construction, education, privacy, professional regulatory, health and medical malpractice issues.
