## Overview

Brandon Blatz is a paralegal in our Yellowknife office with over five years' experience providing professional financial advice to business and personal clients including sole proprietorships, non-profit societies, oil and gas consulting, and agriculture. With this experience, Brandon has developed an understanding of corporate records including the maintenance of files and the importance of providing quality advice to his clients.

Brandon has obtained a legal assistant diploma where he has been able to reinforce his existing knowledge and obtain more complex knowledge related to corporate services. This gives his clients the confidence that they have the highest quality of corporate legal services available.

### Value to Clients

*"By providing complex financial advice to business and personal clients, I have developed a dependable, trustworthy, and personable reputation where clients know they are getting the best service that they can."*

### Outside the Office

Brandon is an avid traveler who is constantly on the lookout for a new destination to explore.
