Overview

Kaitland Goulet received her Bachelor of Professional Arts with Great Distinction from Athabasca University while also working at Field Law as a legal assistant. She then went on to attend law school at the University of Alberta. She was called to the Alberta Bar in August 2020.

During law school, Kaitland was active with the University of Alberta Women's Law Forum, including acting as Co-Chair during the 2018-2019 academic year. Kaitland also volunteered with Student Legal Services of Edmonton. In her final year of law school, Kaitland had the opportunity to spend a semester at Utrecht University in the Netherlands where she was able to study international law and visit 16 different countries.

Outside the office

Kaitland enjoys a good book, TV show or festival. If you can't find Kaitland in Edmonton, she is either travelling the globe and experiencing new cultures, or spending time in the mountains hiking and working on her shoddy climbing abilities.
