## Overview

Lisa Roy is a paralegal in our Calgary office with over 23 years of experience in various areas of law, including, but not limited to, bankruptcy, insolvency, general litigation, and estate litigation.

Before joining Field Law, Lisa worked as a paralegal/senior office administrator with a sole practitioner who helped her understand and appreciate the work that goes into running a business. She enjoys working with business owners and individuals to find resourceful solutions to their legal issues.

Our clients find her approachable and compassionate as she is always looking for the most efficient and economical way to complete the task at hand.

In her spare time, you can usually find her with her nose in a book about various realms of holistic wellness.
