Overview

Mikki Dergousoff is a litigation paralegal with over 20 years experience on both the defendant and plaintiff sides. She is skilled in litigation management, personal injury litigation, pleadings, settlement proposals and mediation briefs.

Mikki has proven paralegal knowledge and skills with a professional management certificate from continuing education at the University of Calgary. She has experience managing large document review/production processes in construction and corporate litigations. She is currently in the process of obtaining ACEDS accreditation.

Outside the Office

Mikki is a community-minded individual having served on her Community Association Board for a number of years, with the last two as President/Chair. This position hasn't left her with a lot of spare time but you'll still find her tending to her gardens and greenhouse. She also travels to British Columbia quite often as she jointly owns a gold claim with her family on the Pend d'Oreille River. Sitting in the river swishing a pan of dirt on a sunny day is a little piece of paradise for her.
