Value to Clients

"Real Estate is a very fast paced practice so being organized is key. I have a very good rapport with our clients and am proud of our teams' ability to handle the high volumes builders files."

Outside the Office

A very proud Air Force Brat, Tracy was born in Comox, BC but has lived in Summerside, PEI, Cold Lake, Alberta and Greenwood, Nova Scotia where she met and married her husband of 39 years. Tracy and her husband have lived in Edmonton since 1979, raised two children and have three grandchildren who are a constant joy. Tracy loves to golf in the summer and curl in the winter and spend as much time at the cottage in Slave Lake as possible.
