## Overview

Field Law has a long tradition of assisting both small and large businesses with corporate and commercial transactions ranging from the commonplace through to the transformative.

We develop business solutions for institutions, governments, private and public companies and other organizations spanning a broad range of industries.

Field Law regularly provides advice in the following areas:

- Debt and equity financing (both public and private)
- Public and private mergers, acquisitions and divestitures
- Foreign investment into Canada
- Directors' and officers' liability
- Contract drafting and negotiation
- Franchising
- Equipment leasing
- Business reorganizations and restructuring, and
- Pensions, including plan design and amendment.
