Overview

Some regulatory organizations are very small with only a few staff or volunteers, while others are very large with hundreds of employees. Balancing the regulatory mandate to protect the public interest with the intricacies of running a business organization can be very challenging. All regulatory organizations can face the same complex legal issues.

Field Law offers a full range of corporate and business law services in addition to our professional regulatory services to assist regulatory organizations. These include:

- Commercial leasing and real estate
- Employment
- Insurance
- Immigration
- Contracts
- Corporate law

Contact us to discuss how Field Law can support your organization in any of these areas.
